

## ENGOS with interests in the Bow Valley

### **Alberta Wilderness Association**

*Dedicated to the conservation of wilderness and the completion of a protected areas network, Alberta Wilderness Association is a voice for the environment.*

<https://albertawilderness.ca>

### **The Biosphere Institute of the Bow Valley**

*The BIBV empowers community leadership to address environmental challenges.*

<https://www.biosphereinstitute.org>

### **BowKan Birders**

This small group has conducted Spring and Christmas citizen-led bird counts since 1992. Go to the University of Calgary's Biogeoscience Institute: Kananaskis Country [website](#) where their count data, upcoming events and other information can be accessed.

### **Bow Valley Clean Air Society**

*Our Mission – is to improve and protect the air quality in the Bow Valley and minimize regional contributions to climate change.*

<http://www.bowcleanair.org>

### **Bow Valley Climate Action**

*Promoting citizen engagement to reduce greenhouse gas emissions in the Bow Valley.*

<https://www.bowvalleyclimateaction.org>

### **Bow Valley Engage**

*We are a group of people who care about the Bow Valley and all of its residents. Our mission is to provide clear actions to affect decisions!*

<https://bowvalleyengage.com>

### **Bow Valley Food Alliance (BVFA)**

*The Bow Valley Food Alliance (BVFA) is a regional organization of passionate citizens and professionals dedicated to addressing food security.*

<https://bvfa.ca>

### **Canadian Parks and Wildlife Society (CPAWS) - Southern Alberta Chapter**

*Our mission is to safeguard, connect, and expand Alberta's parks and wilderness. We work toward these goals through education, engagement, and collaboration with Albertans of all backgrounds.*

<https://cpaws-southernalberta.org>

### **Rocky Mountain Eagle Research Foundation (RMERF)**

*Have performed annual raptor migration counts (spring and fall) at the same site location in Kananaskis Country since 1992.*

<http://eaglewatch.ca>

**WildSmart**

*WildSmart is a proactive conservation program that encourages efforts by Bow Valley communities to reduce negative human-wildlife interactions.*

<https://www.biosphereinstitute.org/wildsmart>

**Y2Y - Yellowstone to Yukon**

*Connecting and protecting habitat from Yellowstone to Yukon so people and nature can thrive.*
